Special Notes

Dear Plantation Residents

We wanted to inform you about upcoming changes to our utility services. There will be a 6% increase in water and sewer rates. Additionally, our solid waste and recycling services will also see an increase. The new rates will be effective October 1, 2024.

For more information or assistance, you can visit our website at www.plantation.org, email Utility Billing at utilitybilling@plantation.org, or call us at (954) 797-2290.

Thank you for your understanding as we work to maintain and improve our city's infrastructure and services.

TIPS

TESTING YOUR TOILET FOR LEAKS

Remove the lid from the tank. Place 8 to 10 drops of food coloring in the tank. Replace the lid and leave toilet unused for one hour. After one hour, look at the water in the toilet bowl to see if the water color has changed. If color has changed, this indicates that the colored water from the tank is running into the toilet bowl. This can use a lot of water, causing high water bills.

CONSERVING WATER

Water conservation is everyone's responsibility, all year long. Use water miser showerheads, run dishwasher and washing machine only when you have a full load and don't leave water or hose running needlessly. Turn off your sprinkler system if it's been raining and check outdoor and indoor faucets for leaks. Save water. Save energy. Save money.
